Greetings

We have exciting news to share with you!

This year George Washington Carver Center is offering a Virtual Learning Preschool Program (VLP) for 2–5-year-old children. Your VLP educators are Mrs. Burnett & Mrs. Ross who will be assisting you with all your educational needs.

You will be provided with a pre-loaded tablet of the educational programs introducing your child or children to ABC Mouse, PBS Kids and other learning activities. This will help in achieving their developmental milestones.

Classes are scheduled **Mondays and Wednesdays**, (with the exception of holidays), from 9:30am – 12:00pm (Noon) beginning September 2021 thru June 2022. To register go to www.thecarvercenter.com.

Our first class starts Monday, September 27, 2021, from 9:30am – 12noon.

We are excited to provide you and your child or children with this new learning opportunity. We look forward to working with you soon.

Mrs. Sandy Burke,
Program Director

Mrs. Geraldine Burnett & Mrs. Marguerite D. Ross
Carver Center VLP Educators
